GIVING BACK!

Meet Martin and Yager - the first Lions Foundation of Canada Dog Guide team you've helped sponsor through donations from our 2015 Calendar!

Martin and Yager are recent graduates of the Canine Vision program. Martin, a retired surgeon, gradually lost his vision and with it his independence. Since teaming up with Yager, Martin can now go out safely. "It's terrific. I can't tell you how wonderful it's been", says Martin.

Why donate? It's a wonderful way to make an immediate difference in someone's life.

Visit your local Pet Valu store to pick up your Calendar, and consider making a Give-What-You-Can donation to Lions Foundation of Canada Dog Guides.

100% of donations received will help place life-changing Dog Guides with Canadians like Martin in communities across Canada.
